OSHAN NILUSHKA

BSC. (HONS) IN INDUSTRIAL INFORMATION TECHNOLOGY

I am an undergraduate student at Uva Wellassa University, pursuing a degree in Industrial Information Technology. I am passionate about software development, web technologies, and problem-solving, with a strong interest in building innovative and user-friendly digital solutions. I have hands-on experience in Full-Stack Web Development using React, JavaScript, Node.js, HTML, CSS, TailwindCSS and databases. I continuously enhance my technical and professional skills by participating in workshops, projects, and extracurricular activities. I am a motivated, detail-oriented, and quick learner who is committed to continuous growth and contributing effectively to real-world software development projects.

WORK EXPERIENCE

Art Club Coordinator

Uva Wellassa University

November 2023 - July 2024

IRCUWU
